Dear sir,

It gives me immense pleasure to know that the Haryana police has decided to bestow the honor of displaying my father's one of the most prized possession, i.e., his car bearing registration markings HRA 81. A Premier Padmani of 1986 model in their museum at Madhuban.

My father was very emotionally attached to it, to the extent that he had gone all the way to Bombay now "Mumbai" to take delivery of it straight from the factory. He then drove it down all the way from there to Karnal. He was also emotionally attached to it as after my wedding my "Doli" came home in this car only.

The registration marking HRA 81 was a very well known number in Haryana which my father had from the very beginning. The car was eventually willed to me with the promise to never let it go. I hereby gift this car to the police museum. With the passage of time this car has become a classic and with the honor bestowed by the Haryana police will now be immortalized.

Once again I thank you for bestowing this honor to my father and his family.

Kind Regards.

Capt. Atul Kumar Singh.
